

DATE: 6 October 2022

TEAM ID: PNT2022TMID06119

Project Name: Skill and job recommender

Maximum marks: 2 marks

PROBLEM STATEMENT:

I am a Fresher. I am trying to find a job but it is very difficult to search by going to each company because it consumes more amount and time to search the company and provide the resumes in person which makes me feel frustated when I am not getting proper informations about the skills required and the job that is offered.
